Date ceased trading:	September 2021	
Nature of business:	Employment placement service

The director has advised that the company provided staff, made up of immigrant workers, to an Auckland based company, BF7 Trading Limited. The company fell into arrears with the Inland Revenue Department when the Auckland based company failed to make payments to cover the wages and tax obligations for all the staff engaged. The various Covid-19 lockdowns and restrictions also impacted the business.

Attempts were made to recover the amount owed by the Auckland based company however it was placed into liquidation by the High Court on 28 September 2021.

Following the receipt of a statutory demand from the Inland Revenue Department, the decision was made to appoint the liquidators.

6 STATEMENT OF AFFAIRS

A Statement of Affairs showing the company's estimated financial position as at the date of our appointment is provided at Appendix 1.

7 ASSETS AND PROPOSED ACTIONS IN THE LIQUIDATION

We will realise all available assets. This is expected to be completed within 6 months.

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties and take appropriate steps where necessary.

If there are funds available for distribution to creditors, we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.

8 LIABILITIES AND CALL FOR CREDITOR CLAIMS

The liquidators have compiled a schedule of the company's creditors and their addresses as required by Section 255(2)(c) of the Act, which is at Appendix 3. The schedule has been compiled from company records and information provided to the liquidators at the time of preparing this report. The schedule may not list all of the company's creditors and all of the parties listed on the schedule may not be creditors of the company.

There are no known contingent creditors. There are no known current or pending proceedings to which the company is a party.

A notice to creditors to prove debts or claims is provided at Appendix 5 and an unsecured creditor's claim form is provided at Appendix 6. If you are an unsecured creditor and you wish to lodge a claim in the company's liquidation, please complete the unsecured creditor's claim form then return the completed form together with supporting documentation to our offices by 7 November 2022. Creditors that have not made a claim by this date may be excluded from any distribution made.

If you believe that you are a secured creditor, you should not complete the unsecured creditor's claim form. Please contact us and request that a secured creditor's claim form be sent to you.

8.1 *Secured Creditors*

As at the date of liquidation 1 secured party had a registered security interest against the company on the Personal Property Securities Register. This has subsequently been discharged by the secured party as there was no debt owed.

Personal Property Securities Act / Reservation of Title

If you have not registered a financing statement on the PPSR and you believe you have:

- a Purchase Money Security Interest entitling them to any goods in the possession or control of the company and/or proceeds from the realisation of those goods; and/or
- a Reservation of Title over goods;

you should contact us immediately.

8.2 *Preferential Creditors*

The Inland Revenue Department has provided us with a creditor's claim form showing outstanding GST, PAYE and other payroll deductions and penalties and interest of \$330,829. This includes a preferential claim of \$225,473

Based on current information, we believe it is unlikely that preferential creditors will receive a dividend.

8.3 Unsecured Creditors

From our review of the company's accounting records and other information we estimate that the amount due to unsecured creditors is approximately \$52,766 plus the IRD unsecured debt (for a small business loan and interest/penalties) as detailed in 8.2 above of \$105,355. We estimate that it is unlikely that unsecured creditors will receive any dividend.

9 CREDITORS' MEETING / LIQUIDATION COMMITTEE

A notice of the Liquidators' decision to dispense with the meeting of creditors is provided at Appendix 4.

Any creditor or shareholder may at any time in the course of the liquidation request that the liquidators call a meeting pursuant to Section 314 of the Companies Act 1993, for the purpose of appointing a liquidation committee. Any request for a meeting must be submitted to the liquidators in writing.

10 FURTHER INFORMATION

If you are aware of any information that would assist the Liquidators, please set the details out in writing, attach any supporting evidence, and send it to us. Please note that it can be difficult for liquidators to act in reliance on information that is not provided in writing.
