Liquidators' Second Report For the period from 18 March 2022 to 17 September 2022

1 INTRODUCTION AND APPOINTMENT

Boris van Delden and Iain McLennan, Licensed Insolvency Practitioners, of Auckland, were appointed as joint and several liquidators of Rewards Marketing Limited (In Liquidation) ("the company") on 18 March 2022.

This report has been prepared pursuant to Section 255(2)(d) of the Companies Act 1993 (**Act**) for the purpose of reporting on the liquidation of the Company. A Statement of Realisations and Distributions is **attached** as Appendix 1.

The report is being sent to all shareholders and all creditors who have filed a claim in the liquidation.

2 RESTRICTIONS

This report should be read in conjunction with the liquidators' previous report.

This report has been prepared using the information known to us. We have not independently verified the accuracy or reliability of the information provided or undertaken audit of the Company. We do not accept any liability whatsoever to any party arising from the circulation, publication, reproduction or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

3 UPDATED INTERESTS STATEMENT

We have not become aware of any circumstances, relationships, or other facts since we last prepared an interests statement that create, or could reasonably be perceived as creating, a conflict of interest for us in relation to our independence as liquidators.

4 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

During the reporting period, we have:

- Recovered funds from the company's bank accounts totalling \$89,174
- Reviewed documents including Bills of Lading asserting the containers had been shipped
- Endeavoured to contact the purported offshore vendor of the containers
- Independently investigated the provenance of the Bills of Lading sent to the company by the offshore vendor to try and ascertain if they were genuine. They appear not to be.
- Received communications from the purported lawyers of the overseas supplier suggesting a settlement in exchange for a GST payment from the company to cover Turkish GST.
- Investigated the provenance of the settlement offer and determined it to be false
- Continued to investigate recovery options from the overseas vendor
- Made an interim distribution to unsecured creditors of 35 cents in the dollar

Since our appointment, we have:

- Interviewed the director and other parties with knowledge of the affairs of the Company
- Uplifted and reviewed the available Company's books and records
- Commenced investigations into the affairs of the Company and the reasons for its failure. This includes the payments made to accounts in Turkey and the non-delivery of shipping containers ordered.

5 INVESTIGATIONS

The liquidators are continuing their investigations into the books, records and affairs of the company as identified above.

This has included enquiries with an entity in Turkey that received payment from the company's bank account and with a freight forwarding company that is identified on the Bills of Lading. These enquiries are on-going.

The Statement of Affairs provided with the Liquidators' 1st report included as assets amounts the book value for accounts receivable and inventory. Based on our investigations to date, there is little likelihood of any recovery from inventory, which relates to shipping containers, or the accounts receivable which relate to amounts to be paid by customers for shipping containers which have not been delivered.

There are no known current or pending proceedings for which the company is a party.

There have been no claims received from secured or preferential creditors.

The following claims have been received:
