1 INTRODUCTION AND APPOINTMENT

Boris van Delden and Iain McLennan, Accredited Insolvency Practitioners, of Auckland, were appointed jointly and severally as liquidators of EX-SNZL Limited ("the company") on 30 May 2018.

Pursuant to Section 255(2)(d) of the Companies Act 1993 ("the Act"), the liquidators herewith report on the progress of the liquidation. This fourth report should be read in conjunction with the liquidators' previous reports. This report is being sent to all shareholders and all creditors who have filed a claim in the liquidation. A Statement of Realisations and Distributions is **attached**.

2 RESTRICTIONS

Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party as a result of the circulation, publication, reproduction or use of this report. We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

Asset Realisations

The liquidators initially realised the proceeds from a bank account. Receivers were appointed by a GSA holder on 31 May 2018 ("Receivers"). Subject to undertakings given by the Receivers, the realisation of all remaining assets has been in the hands of the Receivers.

The Receivers' final report dated 15 November 2019 summarises the asset realisations made by the Receivers.

4 INVESTIGATIONS

The company's director was adjudicated bankrupt on 21 February 2019 on the application of one of her creditors. The liquidators understand that the company's director resides overseas.

The liquidators are continuing to investigate the affairs of the company and are considering whether there are any avenues of recovery available to them that, if pursued, are likely to result in a return to creditors. Any further recoveries are likely to be for the benefit of the company's secured and/or preferential creditors.

5 CREDITORS' CLAIMS

5.1 Secured Creditors

BNZ appointed Receivers in respect of a General Security Agreement for the amount of \$1,654,114. The Receivers' final report confirmed that no distribution was made to BNZ from the receivership.

The Receivers' final report confirms that all PMSI creditors have been dealt with by the Receivers.

5.2 Preferential Creditors

We have received preferential claims totalling \$117,710 from preferential creditors as follows:

Customs	8,376
Employees	71,779
IRD	37,555

The Receivers undertook to account to preferential creditors from the realisation of assets. According to the Receivers' final report, Customs' preferential claim has been paid in full, a partial distribution of approximately \$9,000 has been made to employees in respect of their preferential claims, and no distribution will be made to the IRD in respect of its preferential claims.

5.3 Unsecured Creditors

As at the date of preparing this report, 23 unsecured claims totalling, \$2,312,339 have been received by the liquidators.

In the interests of minimising liquidators' fees, the liquidators will not attend to the formality of accepting or rejecting creditors' claims until such time as we are in a position to pay a distribution.

6 FUNDS / LIKELY OUTCOME

The company's known assets have now been realised and distributed by the Receivers and the company's director is bankrupt. Whether any distribution to creditors is made is dependent on whether the liquidators are able to make any recoveries from actions that may be taken following the completion of the liquidators' investigations.

7 MATTERS DELAYING THE COMPLETION OF THE LIQUIDATION

The following matters are outstanding:

- Completing investigations and taking recovery action (if any)

8 ESTIMATED DATE OF COMPLETION

Based on the information contained in this report the liquidators do not propose to indicate a likely time of completing this liquidation.
