4 INVESTIGATIONS

The liquidators have completed their investigations into the books, records and affairs of the company. There were no matters that came to the knowledge of the liquidators that could eventuate in a benefit to creditors.

5 CREDITORS' CLAIMS

5.1 Secured Creditors

The liquidators had been advised of a secured claim from the Bank of New Zealand in respect of a General Security Agreement for the amount of \$64,062.

This debt has been settled in full through other entities related to the director.

5.2 Preferential Creditors

The Inland Revenue Department has submitted a preferential claim for \$44,276. No dividend has been paid to the preferential creditor at the date of this report.

5.3 Unsecured Creditors

As at the date of preparing this report three unsecured creditors claim forms have been received which total \$72,553.

Subsequent to filing their claim, one of the creditors, who had filed a claim for \$63,708, has had the debt paid in full by other entities related to the director. This leaves two unsecured creditor claims outstanding which total \$8,845

In the interests of minimising liquidators' fees, the liquidators will not attend to the formality of accepting or rejecting creditors' claims until such time as we are in a position to pay a distribution.

6 FUNDS / LIKELY OUTCOME

There will be a short fall on the amount due to the preferential creditor. Therefore, at this stage the liquidator does not anticipate paying a distribution to unsecured creditors.

7 MATTERS DELAYING THE COMPLETION OF THE LIQUIDATION

The following matter is outstanding:

- Receipt of the remaining payments from the debtor.

8 ESTIMATED DATE OF COMPLETION

Based on the information contained in this report the liquidators presently propose to complete all outstanding matters with a view to retiring as liquidators within the next two years.
