1 INTRODUCTION AND APPOINTMENT

Peri Micaela Finnigan and Boris van Delden, Insolvency Practitioners of Auckland, were appointed jointly and severally as liquidators of Tawil Holdings Limited (“the company” or “Tawil”) on 14 February 2014 by the High Court at Auckland.

Kenneth Peter Brown and Paul Thomas Manning of BDO Tauranga Limited were appointed as Receivers of Tawil on 7 February 2014, pursuant to a General Security Agreement that was unregistered at the date of the Liquidators’ appointment. Kenneth Peter Brown and Paul Thomas Manning of BDO Tauranga Limited ceased to act as receivers on 3 March 2017.

Pursuant to Section 255(2)(d) of the Companies Act 1993 (“the Act”), the liquidators herewith report on the progress of the liquidation. This twelfth report should be read in conjunction with the liquidators’ previous reports. This report is being sent to all shareholders and all creditors who have filed a claim in the liquidation.

A Statement of Realisations and Distributions is attached.

2 RESTRICTIONS

This report has been prepared in accordance with section 255(2)(d) of the Act. Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party as a result of the circulation, publication, reproduction or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

The liquidators have reviewed the charge under which the receivers were appointed.

The liquidators assisted the receivers with the realisation of the company’s shareholding in a subsidiary company. The funds from the realisation of the shareholding were held in the receivers’ trust account pending the outcome of court proceedings in regard to the priority between potentially competing security interests.

The report filed by the Receivers for the period to 7 August 2016, advised that all legal proceedings have been completed.

The liquidators have also reviewed the proceedings taken by a related company named Wire by Design Limited (In Receivership and In Liquidation) from which Tawil's director advised Tawil, and therefore its creditors, may benefit.

The liquidators understand that the action has now settled with no funds being payable to Tawil.

The liquidators have been advised that issues between certain secured creditors have been settled. We are awaiting amended claims from those creditors.

4 INVESTIGATIONS

The liquidators have completed their investigations into the books, records and affairs of the company. No matters have been identified that can be pursued for the benefit of creditors.

Issues have arisen between the director and a guarantor for the company. The liquidators are awaiting the resolution of those issues.

5 CREDITORS' CLAIMS

5.1 Secured Creditors

No secured claims have been received by the liquidators. Our previous reports have included details of the secured claims dealt with by the receivers.

5.2 Preferential Creditors

A preferential claim has been received in respect of the applicant creditor's costs of \$20,649. To date, no payments have been made toward this claim.

The Receivers have identified preferential claims from employees of \$508,802 and from the Inland Revenue Department of \$63,092.

5.3 Unsecured Creditors

As at the date of preparing this report two unsecured creditors claim forms have been received which total \$498,054. In the interests of minimising liquidators' fees, the liquidators will not attend to the formality of accepting or rejecting creditors' claims unless we are in a position to pay a distribution.

The Receiver's report has identified unsecured claims totalling \$1,962,580.

6 LIQUIDATORS' FEES

Liquidators' fees in a Court ordered liquidation are to be approved by the Court and if required a retrospective application for fee approval will be made by the liquidators.

Section 284 (1) of the Act provides that an application (with the leave of the Court) may be made by a creditor, shareholder or director of a company in liquidation to review or fix the remuneration of the liquidators. In circumstances where no application has been made to review or fix the liquidators' remuneration the Court will be less inclined to rigorously examine the fees submitted by the liquidators for subsequent approval.

7 FUNDS / LIKELY OUTCOME

It is not expected that there will be a distribution to unsecured creditors.

8 MATTERS DELAYING THE COMPLETION OF THE LIQUIDATION

The following matter is outstanding:

- The resolution of the issues between the director and the guarantor

9 ESTIMATED DATE OF COMPLETION

The liquidation will be completed once the issues between the director and the guarantor are resolved.
